

# LEADING SUFFRAGISTS TO STORM CAPITAL

Victory Celebration to Be Held  
in Harrisburg To-  
morrow

## HOUSE SURE TO PASS BILL

Prominent suffragists of Philadelphia are preparing to leave for Harrisburg to take part in the suffragist demonstration that will put the finishing touches to their long campaign for the vote.

All predict that the House will pass the federal amendment tonight or tomorrow.

A reception has been arranged by the Pennsylvania Woman Suffrage Association, which will be attended by the Governor.

After the reception a luncheon will be tendered by the suffrage association to its workers. Mrs. Sprout, wife of the Governor; Mrs. E. E. Beideman, wife of the lieutenant governor; Mrs. W. T. Schaffer, wife of the attorney general, and Mrs. Harry McDevitt have been invited to attend the luncheon.

### Victory Demonstration

This victory demonstration at Harrisburg will be held at 4:30 p. m. and will consist of an automobile parade, in which the Woman's Party colors, purple, white and gold, will be conspicuous. The parade will be led by Bishop and Mrs. James Henry Darlington, and will begin at the corner of Locust street and Front.

The Pennsylvania Woman Suffrage Association delegation will leave Philadelphia at 8:10 tomorrow morning on a special train. There will be about one hundred in the party with representatives from every legislative district.

Mrs. George A. Piersol, the chairman of the Philadelphia branch, and Mrs. George Dunning, the former chairman, will be in the party which will include Mrs. Barclay H. Warburton, Mrs. Joseph Gazman, Mrs. E. B. Leaf and Miss Annie Harris Snyder.

Mrs. John A. Miller, state president of the association, has charge of the delegation from Pittsburgh and has been making arrangements for the celebration in Harrisburg.

The National Women's Party had its last executive committee meeting for the season today to complete details for the Harrisburg parade and to consider the shifting of some of its organization into other states where ratification is not certain. A long distance call from Miss Alice Paul, the national head of the woman's party, was received at the local headquarters this morning asking for a shifting of work to Alabama to aid in the ratification campaign of that state.

**Lee's Granddaughter a Leader**  
Mrs. Archibald R. Harmon, granddaughter of General Robert E. Lee, and chairman of the Sixth Congressional district of the Pennsylvania branch of the Woman's Party, is in Harrisburg and is assisting Mrs. Lawrence Lewis, Miss Ella Riegel and other state officers in making the demonstration a great success.

**Taught for Fifty Years**  
Mrs. Ida V. MacFarland, a Sunday school teacher for fifty years, was honored yesterday at the 219th anniversary services in the Gloria Dei (Old Swedes') Church. She began her work as founder and head of the infant department in 1865. For more than a half century she conducted charitable work with the late Rev. and Mrs. Snyder B. Rimes among the poor of the neighborhood.

## FAMILY AWAY; HOUSE BURNS

Adjoining Property Holders Forced to Flee—Home Total Loss

A mysterious fire started in a property at 2418 South Mildred street early today, completely destroying the house and furnishings. The occupants of the house are the family of H. Rabonovitch, who have been living at Atlantic City for the last few weeks.

Neighbors were aroused early this morning and turned in the alarm, but the house was destroyed before the fire could be put out.

Samuel Fishman, the owner of the house, lives at 2420 South Mildred street. He, together with Mrs. Fish-

man and their two small children, Raymond, aged four, and Beatrice, two, was compelled to flee to the street. Arthur Dougherty and his family, living at 2416 South Mildred street, also got out of their house.

The damage, except for smoke and a little water, was confined to the Rabonovitch home. The loss was probably between \$1200 and \$1500. The origin of the fire was undetermined.

**Skull Fractured in Fall**  
Michael Schwedka, thirty-one years old, fell down the stairs in his home, 2709 East Ontario street, last night and suffered a fractured skull. He was taken to the Episcopal Hospital, where he is in a serious condition.

## Natural Selection

The publisher of a dog paper exerts every effort to make his publication of interest to dog fanciers.

A pharmaceutical journal works for years to earn a great following among druggists. There are special periodicals for threshermen, for undertakers and for theatrical folk.

There are "slick paper" magazines for the socially elect and "news print" papers for the farmers.

In every trade, profession, cult or social stratum there are periodicals seeking to attract unto themselves a following of readers.

The process eventually becomes one of natural selection.

"Birds of a feather flock together."

If you want to sell sulphuric acid, advertise in a publication bought by fertilizer manufacturers. If you want to sell sheets or soap, food or children's books, to reach the housewife advertise in a woman's magazine.

Advertising should parallel natural selection.

Advertising space in the Butterick publications is for sale through accredited advertising agencies.
